

Activate Dunne Park Project

PROPOSED IMPROVEMENTS FOR DUNNE PARK

Priorities were developed from 2 Neighborhood Workshops, held in February & March 2018, and several City staff meetings

Safety & Security- Increase police presence; activate Adobe building

1. Renovate office space at Adobe Building
2. Recreation Dept. to use office for PAL sign-ups and other activities; other City Depts. to use office, such as file police reports

Park Improvements- Increase accessibility, comfort and usage

3. Demolish BBQ area; replace with grassy slope
4. Install 3 small picnic areas throughout park; use trees as shade
5. Create Diagonal Parking on 7th Street (south side)
6. Create shade structure at baseball field (dugouts only)
7. Add new recreation feature:
 - a. Install ping pong tables to West end of tennis courts (other ideas included water feature, basketball court)
 - b. Add artist design to ping pong tables

Park Improvements- Increase attractiveness, accessibility and sense of "place"

8. Commission crosswalk design mid-block on 7th (between Powell & West) that references neighborhood features
9. Plant 25 trees
10. Install artist-designed benches in designated locations (4 benches)
11. Install Chess boards in Rose Garden or at new picnic locations
12. Include option for Memorial Benches
13. Partner with Master Gardener Program; 4H/Boy Scouts/Girl Scouts
14. Activate park through Summer Programming (see page 2)
